To whom it might concern,

Re: DC Live Events

This letter serves as my endorsement of DC Live Events and a character reference for owners Dan and Pauline Chasse. I've had the fortunate pleasure of working with Dan and Pauline for approximately 10 years during my time with the City of Timmins as Communications Coordinator and later on, as Manager of Tourism & Events. Dan and Pauline operate a five-star production service with attention to detail. They are professional, caring, and leave nothing to chance. They often go over and above their scope of work to achieve the expected results. The equipment used to include stage, lights, pyro and back line are first rate and the DC Live Events team, professional. Dan and Pauline are extremely passionate with a friendly demeanor, something that clients will experience first hand from the submission of bids to the execution of a show. The sound checks are never rushed and artists have often commented on what a pleasure it is to work with the DC Live Event team. The set-up and tear-down of shows is always done safely, going above what is expected from the Ministry of Labour. All in all, I am comfortable with my endorsement and know that this couple and their team will deliver the goods every time, on budget and on time, with no surprises.

I would be happy to discuss my endorsement in greater detail.

Dear 2023 FEO Award Nomination committee:

It is my privilege to write this letter of recommendation out of full support for Dan and Pauline Chasse on behalf of DC INC. Live Events.

I have had the pleasure to work with DC INC. Live Events for many years on a professional level as a music presenter for the Indigenous Arts Organization, Debajehmujig Theatre Group and the Wiikwemkoong Arts and Music Festival where Dan goes beyond normal sound and production duties by becoming involved in the community as a member for the few days that he is present. He is also a knowledge holder of several decades of experience and is always happy to share tricks of his trade and professional direction in his craft. On a level as a performing artist, I have known Dan since my late teens and early 20's (I am now 43) as he has been a sound person for events that I have performed at. A good ear and a patient and attentive sound person is something that sometimes can be hard to come by. The ability to stay on top of his game and evolve along side the ever changing world of technology is also very impressive and its amazing to see Dan work as hard as I saw him work 20 years ago from first meeting him!

This is all what I know on a technical level. There are many other amazing attributes that Dan and Pauline posses. The work in our First Nation Territory that DNC provides has been a welcomed working relationship for decades. His ability to be approachable and sincere with community members while doing his very busy and at times strenuous job is clear to anyone who has the pleasure to meet him. Working in our community Dan also always take the time to train any volunteers and share his many stories of experience on the many jobs he has done over the years, vitally handling the sound and lighting for every major performing artist that comes through Sudbury and the area from Snoop Dog to John Fogerty. Building a stage and festival event is something that doesn't come easy for everyone but Dan sure makes it feel achievable every time he comes to our area to assist us with world class sound and lighting production. And equal opportunity workplace and training firm is something we always feel is important and Dan provides this with an extended hand and open arms.

I would be happy to entertain any additional questions you might have! I can be reached at jason.m@debaj.ca or at 705-618-5369

In tune of harmony,

It is with sincere gratitude that I offer this letter of recommendation in support of Dan Chassé Live Event Providers. Dan and Pauline offer extremely professional service with a kindness and sincerity that can only come with years of experience working in their field and managing their own business. It was evident upon our first meeting that they approach their work and their clients with a passion for what they do.

As a registered charitable, with a limited budget and resources, and our Annual General Meeting only weeks away, Dan and Pauline were able to quickly assess our audio/visual requirements and went above and beyond in providing us with the technology necessary to ensure our event was a success. In their attention to detail and their expertise of production and events, they exceeded our greatest expectations.

We received many compliments on our Annual General Meeting and 25th Anniversary Celebration this year and we know that a large part of that is thanks to Dan and Pauline at Dan Chassé Live Event Providers.

Thank you Dan and Pauline for your incredible support!

Sincerely,

DC INC. Live Events

Dear Dan and Pauline:

On behalf of the Executive and Board of Directors of the Italian Canadian Club of Milton (ICCM), we would like to thank you for your continued support over the past several years.

As you know, ICCM is a non-profit corporation fully run by a Volunteer Board of Directors—without the commitment of our Board, Volunteers and Community Partners like yourselves, we could not continue what our Founders started over 50 years ago. The ICCM Mission is to provide inclusive and accessible social and recreational activities to ICCM Members and the Milton Community while promoting Italian heritage and culture. Our vision—a community of cultural friendship coming together to give back in Milton. Our Values—accessibility, camaraderie, respect and sustainability. We are humbled to have received an Ontario Trillium Grant in 2019 which allowed us to renovate our facility and make our space more accessible. We appreciate all that you have done in working with us to bring our space up to date with full audio which includes, full screen, projector, speakers, sub-woofers, tv's one of which was graciously donated by DC Inc.

We are proud to be a part of this community and are grateful for the support we receive to allow us to continue to support our community. You have allowed us to do so on a larger scale with our fundraisers like Italiafest and have supported us during set up of our smaller events such as Pasta with Santa, Super Bowl and Peace Love Fashion. Italiafest 2018 and 2019 had over 1500 people in attendance and we were able to raise funds for the ICCM Building Fund and donate to local charities which included ROCK for kid's mental health and The Darling Home for Kids. Without the assistance and support of DC Inc. and other community donors and sponsors, we would NOT have been able to put on such a successful festival. Your support over the years is unwavering—you are more than just a production company –you are our solution to any technical inquiry or issue. We can call upon you for things which would normally be out of scope for most companies—you go above and beyond and can be contacted at any time. Your local presence and passion for the Milton Community is an asset. You are reliable, trustworthy and a pleasure to deal with.

We are happy to call you are exclusive Professional Audio Supplier and friends of the ICCM. We look forward to working together on our upcoming Events.

Kindest Regards

Re: Reference for Dan Chasse Inc.

It has been brought to my attention that the City of Greater Sudbury is renewing the contract for the provision of sound and technical services for the Grace Harman Amphitheatre. It is with great pleasure that I provide a personal reference for Dan Chasse and his company.

As the Executive Director for Café-musique Productions Rayside-Balfour, I have had the pleasure of working with Dan and Pauline for the past three years and they have always gone way beyond the scope to their original agreement. They make it happen regardless of the challenges in staging our major productions.

In addition, it is always a bonus to work with those whose roots are well established in the Town of Rayside-Balfour. Supporting local talent is one of our major goals and contracting the services of Dan Chasse Inc. helps us meet our mandate.

Dedicated, professional, reliable, on-time, on-budget with no last minute surprises, flexible, are but a few of the descriptions that I use when I recommend the services of Dan Chasse Inc.

Should you have any questions, please do not hesitate to contact me.

Take care

Re: DAN CHASSÉ

The Sudbury community office of Canadian Cancer Society was very fortunate to have worked with Dan Chassé for the 2013 RFL in Espanola and in 2014, worked with events in Sudbury and again in Espanola.

Dan and Pauline Poulin-Chassé met with us very early in the year in 2014 to review activities that occur at Relay For Life to ensure the sound and stage would enhance the events in Sudbury. It was very evident to the entire Relay For Life committee that Dan and Pauline enjoy what they do!

Because of their professionalism, knowledge, and skill, they knew exactly what stage was appropriate and what sound system would be required to please a crowd of 2000! They made it their priority to ensure everyone was having fun while hearing and seeing everything occurring on stage.

We received many compliments this year from participants and volunteers on the professional sound quality we all experienced.

They also made it a priority after the event to debrief with us to review their experience addressing any issues and recommendations heading into Relay For Life 2015.

Because they were working with the Canadian Cancer Society, Dan Chassé was able to work within the budget constraint.

To view the video that was made showing Dan's professional set up please visit:

We look forward to working with Dan Chasse and Pauline in future Relay For Life events because of their caring, compassionate and professional approach.

I am pleased to offer this letter of recommendation for Dan Chassé. I have had the pleasure of working with Dan for the past four years. During this time, he has supervised and arranged our technical requirements for more than 60 productions at our newly constructed Grace Hartman Amphitheatre. This municipally owned and operated facility is situated on the beautiful shores of lake Ramsey in the City of Greater Sudbury and is capable of housing a variety of shows and community events.

Dan's knowledge of the production industry, its technical components and best practices, makes him an exceptional asset to our team. As evidenced by his continued pursuit of technical certifications, Dan strives, and genuinely desires, to constantly improve his technical knowledge and skill set. Whether working alone, mentoring or supervising I can rely on Dan to complete the work to the highest possible standards in a safety conscious manner.

Dan is a highly professional individual and maintains a comfortable and approachable demeanor at all times. He possesses the ability to handle delicate situations with clients and has a gift for explaining technical issues in terms his audience can understand. His meticulous and inspired direction always results in a cohesive and polished production. Dan has a tremendous sense of integrity and is unwilling to compromise quality. Due to his extensive production experience and problem solving abilities, he is able to work within realistic budgets to accommodate whatever type of community group, promoter or budget he is presented with. Dan's work and work ethic merit high praise.

Dan has demonstrated an incredible passion for Greater Sudbury's local arts community, fostering local artists and musicians, and supporting and fostering community special events and festivals.

I would not hesitate to recommend Dan Chasse as a Director and/or Supervisor for Technical Services and would be happy to discuss my experience of his work with you in greater detail.

To Community Builders Awards Selection Committee,

With the following, it is my pleasure to support the nomination of Mr. Daniel Chassé (Avinu Music Inc.) as a recipient of the Community Builders Award of Excellence in the Arts category. I consider myself very fortunate to be able to participate in the nomination process because of the great respect and appreciation I have for the services offered by Mr. Chassé for nearly 25 years in our community.

On a personal level, as a musician, I have worked with Mr. Chassé for nearly 20 years primarily because of the quality of his services, his professionalism in various contexts and his continued commitment to the artistic community of Greater Sudbury. Through his dedication and his concern for the quality productions that support our local artists, Greater Sudbury residents can enjoy great visual and audio performances of high quality comparable to those offered in major centers across the province and even Canada. Mr. Chassé invests in the community by ensuring that he provide his customers with cutting-edge equipment capable of supporting the most creative and visionary minds. Theater presentations, music, variety shows, all customers, amateur and professional, are treated with utmost respect by Avinu Music Inc. and have the opportunity to provide shows they can be very proud.

In addition to providing substantial support to the arts community, Daniel Chassé is a man who shows great qualities as a teacher accompanying many students in Greater Sudbury in learning the craft of sound and lighting, a profession that is growing in demand in today's society. Organizer and facilitator of workshops for students, he demonstrates great patience, tireless enthusiasm and a tenacious commitment to building an upcoming generation of technicians wanting to, like him, support our local artists with quality performance stages and venues. Further, over the last ten years, Mr. Chassé has been an invaluable collaborator with the unique computerized student radio program, found in our elementary and secondary schools. Moreover, his approach and the quality of his customer service make Avinu Music Inc. a supplier of choice for our schools and our Board for all our technical issues.

In my opinion, Daniel Chassé is an exemplary leader for the Anglophone and Francophone communities of Greater Sudbury. He inspires confidence and brings all those who work with him to push the limits of their creativity by supporting them through unparalleled, professional and personal development and products.

For these reasons, I strongly support the nomination of Mr. Daniel Chassé and his company Avinu Music Inc. as a recipient of the Community Builders Awards 2014.

Sincerely,

À qui de droit,

Par la présente, il me fait plaisir de recommander fortement les services de Monsieur Daniel Chassé (Avinu Music Inc.) en matière de fournisseur d'impératifs techniques d'événement spécial.

Sur le plan personnel, en tant qu'artiste de la scène, je transige avec M. Chassé depuis près de 20 ans en raison de la qualité de ses services et de son professionnalisme soutenu dans divers contextes. Aussi, sur le plan professionnel, à titre de responsable de projets spéciaux au sein du Conseil scolaire catholique du Nouvel-Ontario, je maintiens un excellent partenariat avec lui en raison de l'engagement et de l'excellence de M. Chassé et de son équipe.

Au point de vue professionnel, M. Daniel Chassé répond aux exigences de notre conseil puisqu'il est bilingue, respecte la confidentialité et est engagé envers la réussite de nos élèves en ce qu'il les implique dans la compréhension, l'organisation et la mise en œuvre de systèmes de son et d'éclairage pour des événements à petit ou à grand déploiement. Par l'entremise de plusieurs activités annuelles au fil des ans, de nombreux élèves et membres du personnel ont bénéficié des conseils et des services professionnels de M. Chassé. Son approche inclusive lui a valu le respect des organisateurs du conseil scolaire et de ses écoles.

Au point de vue technique, M. Chassé offre des équipements de qualité disposés de façon efficace et sécuritaire. Ses connaissances techniques et technologiques, appuyées par une équipe solide et méticuleuse, assurent la réussite de tout événement organisé et géré techniquement par sa compagnie. La présence fiable de l'équipe tout au long de chaque événement dont elle est responsable offre à ses organisateurs un sentiment de sécurité et de bien-être, autant pour les spectateurs que les personnes sur la scène. Tout organisateur soucieux d'offrir ce qu'il y a de meilleur à son public se doit de transiger avec un professionnel de la trempe de M. Chassé.

J'appuie donc toute proposition soumise par M. Daniel Chassé et affirme par la présente être en entière satisfaction avec les services reçus de sa part. Je n'hésite aucunement à recommander son embauche pour toutes exigences techniques professionnelles à petit ou à grand déploiement.

Bien à vous,

Madame,
Monsieur,

C'est avec plaisir que je parraine la mise en candidature de Daniel Chassé d'Avinu Music pour un prix de Community Builders Awards of Excellence. J'ai eu l'occasion de travailler avec Daniel Chassé pendant 20 ans à l'École secondaire catholique l'Horizon.

Daniel a été un atout pour le programme de musique à l'Horizon. Il a participé à plusieurs de nos concerts à l'école et à l'extérieur comme technicien professionnel. Le son et l'éclairage ont toujours été excellents! Ses efforts constants ont assuré la réussite de nos projets scolaires.

Daniel est aussi un excellent pédagogue en impliquant et guidant continuellement des élèves de notre population étudiante. Le fait qu'il est bilingue nous a permis de former d'année en année nos jeunes techniciens et techniciennes de l'école et du Conseil scolaire catholique du Nouvel-Ontario. Depuis deux ans, il anime aussi des ateliers de son au niveau de notre conseil scolaire dans le cadre du festival Mélomanie. Sa patience et son sens d'appartenance lui ont permis d'encourager et de motiver plusieurs élèves.

Son approche humaniste, sa disponibilité et son entregent font de lui une personne idéale pour toutes productions techniques. Ses connaissances dans ce domaine nous ont même servi à améliorer l'acoustique de notre gymnase. Il est un partenaire communautaire indispensable.

C'est avec aucun doute que je recommande fortement Daniel Chassé d'Avinu Music pour cette initiative; il est certainement méritant d'un prix pour son engagement communautaire depuis 25 ans!

Veuillez agréer, Madame, Monsieur, mes sentiments les plus distingués.

It is with great pleasure and confidence that I submit this letter of support for Dan Chasse. On behalf of the Northern Aboriginal Festival co-chairs, I had the pleasure of securing service from Dan for the inaugural and the 2nd annual Northern Aboriginal Festival.

The coordination of a festival of this size requires excellence in a number of areas. Sound being a priority. Dan provided excellence in services his quality of system was superb and he was a wonderful individual to deal with. He is bilingual and was exceptional in community responsiveness with the indigenous community in which Laurentian prides itself in serving. His business sense and work ethic is something to be admired. He was the utmost confidential. He was always visible and accessible for the duration of the event to respond to any questions or requests for additional sound.

In closing, I highly recommend Dan and his team for the upcoming 50 Celebrations gala dinner. Should you wish to discuss my experience with Dan, I can be reached at 705-675-1596 ext. 234 or via e-mail at arecollet@skhc.ca

It is without hesitation that I recommend the services of Dan Chasse.

This past summer, we hired Dan as our on-site technician for our Summer Gala. First I must tell you that the folks at the Charles W. Stockey Centre, our local performing arts hall, recommended Dan. That speaks volumes.

Our event was challenging. It had 3 different areas that required sound. Indoors in the resort, outdoors at our eating area and again, outdoors at our auction site. Dan's set-up was superb with terrific sound right through the open-air and in-door environments. Working with Dan was a pleasure but more than that, it added to the bottom line acquired in a night of fundraising.

Because the sound was so terrific all enjoyed our band and all heard our auctioneer. This was critical because the auctioneer was able to maximize the profits from our live auction. Something he was unable to do the year prior when we were not fortunate enough to have Dan doing our technical set-up.

Our location in Parry Sound meant that Dan had to drive from Sudbury to visit our site, customize the equipment required, transport all and return to Sudbury within a 12 hour period as he was scheduled on Manitoulin Island the next day. Our committee was amazed at his professionalism, his energy and his ability to get the job done!

I would not hesitate to recommend Dan but most importantly, I wouldn't want to do another Gala without him!

If I can be of any assistance or answer any questions please contact me.

À qui de droit,

Par la présente, nous désirons témoigner de l'excellente relation de travail qu'entretiennent La Slague, boîte de diffusion francophone à Sudbury, et Avinu Music. Du même coup, nous souhaitons souligner le professionnalisme et la flexibilité de Dan Chassé, avec qui nous avons le plaisir de travailler depuis plus de quatre ans.

Au total, c'est plus d'une trentaine de productions que nous avons présenté avec son appui et ce, dans diverses configurations, allant de salles intimes à 130 places jusqu'à de gros spectacles en plein air devant plus de 2000 participants. Dans tous ces scénarios, Dan s'est montré courtois, flexible et avenant. Il est un excellent ambassadeur pour notre organisme, servant souvent de premier contact avec l'équipe de tournée avec qui il s'assure toujours d'entretenir une bonne relation. Dan est aussi un membre clé de notre équipe puisqu'il sait trouver un juste équilibre entre les besoins des artistes et les contraintes matérielles et budgétaires auxquels nous sommes soumis, sans jamais pour autant mettre en péril la qualité artistique de l'expérience.

C'est donc dire que La Slague est heureuse de pouvoir compter sur les services de Dan Chassé et Avinu Music pour présenter des expériences artistiques mémorables. C'est notamment grâce à cette belle collaboration que la Slague s'est mérité le titre de "Meilleur diffuseur en Ontario français" décerné lors de la remise des prix Trille Or, à deux reprises consécutives, soit de 2008-2010 et 2010-2012. Nous espérons donc voir cette relation se poursuivre et évoluer au fil des ans, afin de faire rayonner la culture encore longtemps.

Le directeur général et culturel,

Stéphane Gauthier

RE: Dan Chasse Inc.

A Cappella Showcase is a non-profit, award winning women's chorus established in 1996. We are dedicated to educating our members in the art of four-part harmony in the barbershop style.

We are a member of Harmony Inc. an International Organization of Women's Barbershop singers with members in Canada and USA.

As we were fortunate to be the recipient of a Trillium Grant to purchase new sound equipment, we needed a supplier who could give us guidance and provide us with a sound system that would meet our requirements.

One of our members met Dan Chasse and his team at her Latin Choir event and was impressed with his knowledge and technical skills.

We met with Dan in January 2015 to review our needs and then the ball started to roll. Because of his knowledge and skills, Dan knew exactly what we needed to record our rehearsals and produce a great sound at our shows. He worked within our budget and kept us updated on the status of our delivery.

Dan and his team provided hands on training in the use of the equipment and has been available to assist our members with technical support should we run into any difficulty going forward.

I would not hesitate to recommend Dan Chasse and his team to our Harmony organization.
